

NOTICE TO DESIGNERS/PLANNERS REQUEST FOR QUALIFICATIONS

Alcorn State University is requesting proposals for architectural, engineering, and landscape architect services from qualified firms for the preparation of a site plans, design plans and specifications for the New Agricultural Animal Science Center on the Lorman campus. The project is anticipated to involve the phased design, and construction of a New Agricultural Science Center of approximately 26,300 gross square feet that would include Research and Teaching building, Barn with Stalls, Animal Coral, Demonstration Arena, Parking and Walks, Covered connection canopies, Retaining Walls, Incinerator, Site Lighting, Lab Equipment and Casework, and Building Furniture.

The selected firm will develop a plan that address architectural and site development standards; energy efficiency, with a view to continuing the transition to sustainability; and environmental health.

Firms desiring to be considered should submit a letter of interest along with a qualifications package addressing: similar projects completed in the past five (5) years; a profile of major firm personnel who would lead the design and construction administration effort; a listing of the unique knowledge and skills of firm personnel in university facilities; demonstrated ability to work with diverse campus groups; a listing of consultants who may be used and their areas of specialty.

Seven (7) copies of the qualifications package should be submitted to Mr. Michael Harrington, Director of Operations for Facilities Management, 1000 ASU Drive #299, Alcorn State, MS 39096.

All proposals must be received prior to August 18, 2016. Submissions received after 2:00 p.m. on August 18, 2016 will not be considered.

Please email any questions to Michael Harrington at mharrington@alcorn.edu. Please use "Agricultural Animal Science Center" in the subject line.
